

Cleveland Clinic and Sheikh Khalifa Medical City Present

The Treatment of Cardiovascular Disease

January 25 - 27, 2010 | Arab Health Congress

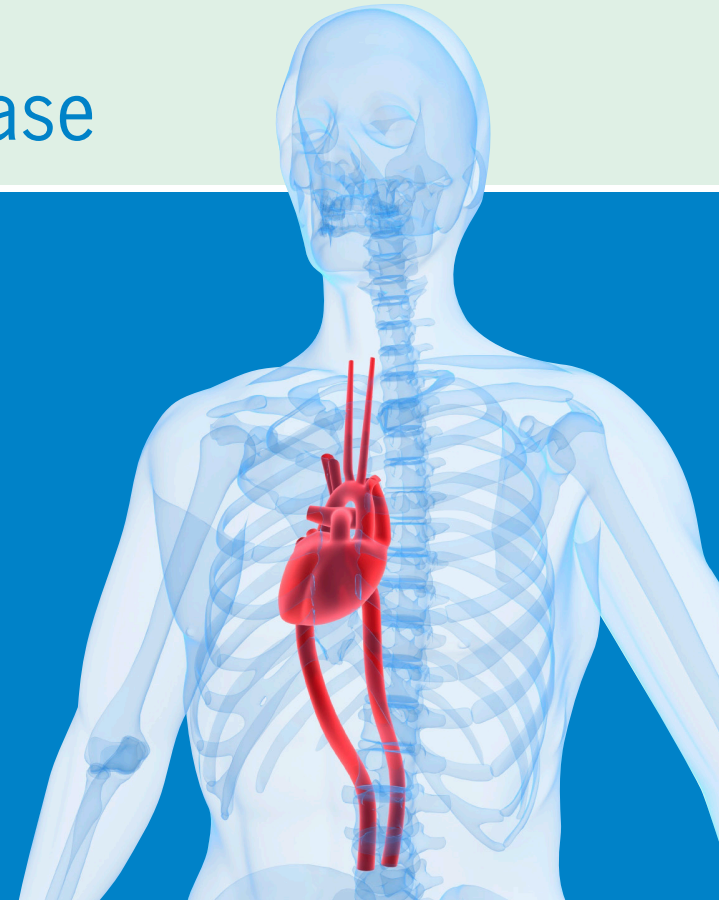

Dubai International Convention and Exhibition Centre - Dubai, UAE

The Sydell and Arnold Miller Family Heart & Vascular Institute at Cleveland Clinic and Sheik Khalifa Medical City (SKMC) invite you to a comprehensive, single-site overview of the state of cardiac surgery, cardiovascular medicine and their related disciplines.

Join your colleagues during Arab Health 2010 for a three-day, interactive review of current diagnostic, therapeutic and preventive approaches to cardiovascular disease.

Cleveland Clinic is the recognized world leader in the treatment of cardiovascular disease. Cleveland Clinic has been ranked No. 1 in the United States for cardiac care by *U.S. News & World Report* every year since 1995.
