

## **Advances in B-Cell Science: Clinician Update**

Cleveland Clinic, Lerner Building

Wednesday, February 3, 2010

### **AGENDA**

- 12:00 pm      **Registration**
- 1:00 pm      **Welcoming Remarks**  
*Leonard Calabrese, DO*
- 1:05 pm      **Pathogenesis of Rheumatoid Arthritis: Are There Two Distinct Diseases?**  
*Gregg Silverman, MD*
- 1:50 pm      **B-Cell–Directed Therapies in Rheumatoid Arthritis**  
*Marc Cohen, MD*
- 2:10 pm      **Current Status of Second Line Therapy of Biologics Roundtable Discussion**  
*Leonard Calabrese, DO; Marc Cohen, MD; Jonathan Kay, MD & Gregg Silverman, MD*
- 2:45 pm      **Refreshment Break**
- 3:00 pm      **Rituximab and Chronic Viral Infection**  
*Leonard Calabrese, DO*
- 3:30 pm      **B Cells, Cytokines and SLE**  
*Jonathan Kay, MD*
- 4:00 pm      **Evolution of Biologic Therapy for Systemic Vasculitis**  
*Leonard Calabrese, DO*
- 4:30 pm      **Panel Discussion & Questions**
- 5:00 pm      **Adjourn**
