# Alumni Reunion and New Concepts in Health Care Delivery CME

September 25–26, 2009

Cleveland, OH

*We sincerely hope that you will be able  
to join us at this historic occasion!*

1921

- Benefit from two half-days of valuable Continuing Medical Education and social opportunities to reconnect with fellow alumni and staff.
- Tour the new state-of-the-art **Heart and Vascular Institute** and **Glickman Urological & Kidney Institute** facilities, opening in late 2008.
- Celebrate the **10th Anniversary of the Alumni Library**.

2008

- Commemorate the graduation of the inaugural five-year **Class of 2009** from the Cleveland Clinic Lerner College of Medicine of Case Western Reserve University.
- Welcome the **83rd annual class of graduating interns, residents, fellows and post-docs** into our worldwide network of Cleveland Clinic trained physicians and scientists, now numbering over 400 graduates per year with a total of over 10,000 Clinic-trained physicians and scientists in every U.S. state and territory and 70 foreign countries.
