PhRMA guidance: This event is conducted in accordance with the PhRMA Code on Interaction with Healthcare Professionals and is limited to invited healthcare professionals. Members of the Healthcare Community who attend an Amgen Speaker Program are expected to stay for the entire duration of the presentation. Repeat attendance at a Speaker Program on the same or substantially the same topic is generally not appropriate unless the attendee has a legitimate educational need to attend. Amgen has set the maximum at two (2) programs on the same or substantially the same topic per calendar year. Attendance by guests or spouse is not appropriate. Effective January 1, 2022, the PhRMA Code was revised to include certain new requirements for industry provided Speaker Programs. To comply with these new requirements, Amgen will no longer pay for or provide alcohol in connection with our Speaker Programs.
