Program Director's Letter

We are very excited to invite you to participate in the rejuvenation of the Annual International Colorectal Disease Symposium. This excellent networking opportunity will take place at the Marriott Harbor Beach Resort in Fort Lauderdale, Florida, February 13-15, 2025.

Please join us as we celebrate our return, after a 5-year hiatus. This internationally acclaimed gathering of surgeons from around the world will be held from February 13-15, 2025 and will once again take place at Marriott's Harbor Beach Resort & Spa in Fort Lauderdale.

The globally-renowned, expert faculty will exchange medical and surgical concepts, including in-depth, detailed overviews of the entire gamut of new, controversial and challenging colorectal themes. Expert, interactive panel discussions will be included.

Exhibit participation and displays will afford attendees the opportunity to interact with industry representatives to discuss the latest products, technologies and pharmaceuticals. We look forward to welcoming surgeons from over 50 countries to interact in our 12 educational sessions as well as during the Scientific Quick Shots (electronic poster and podium presentations) and three keynote orations.

We are confident that you will benefit from your participation and hope you will take advantage of this unique opportunity to network with our colleagues in Fort Lauderdale in February!

Exhibit levels/registration and promotional opportunities are also available on our website at:
www.ccfcmef.org/ICDS2025

We look forward to seeing you in South Florida in February 2025!

ABOUT

Exhibits provide a professional and educational environment in which the physician can receive demonstrations, view products and services and discuss the clinical and surgical uses, including how they may improve the quality of care to a patient and the management of the medical/surgical practice.
