

Thyroid Expo 2024: Advances in Thyroidology
April 11, 2024

Dear Potential Exhibitor:

On behalf of Cleveland Clinic's Department of Endocrinology, Diabetes & Metabolism and Center for Continuing Education, we invite you to exhibit during the upcoming ***Thyroid Expo 2024 Advances in Thyroidology***. The course will be held at the **InterContinental Hotel** in Cleveland, Ohio on Thursday, April 11, 2024. The course will also be available via live stream. We anticipate more than 75 in-person participants.

Thyroid Expo 2024 will cover topics such as molecular applications in thyroid neoplasia, practical management tips, and Graves' eye disease. The goal of this symposium is to increase competence and clinical performance in managing patients with routine and complex thyroid disorders to improve outcomes.

The course is designed for a multidisciplinary audience. Physicians, nurses, residents, fellows, and other health care professionals in Endocrinology and primary care as well as other specialties such as Surgery, Pathology, Genetics, Immunology, and Oncology are invited to attend.

AMA PRA Category 1 Credit™, American Nurses Credentialing Center (ANCC) contact hours, and American Academy of Physician Assistant (AAPA) Category I CME credit will be provided by the Cleveland Clinic Foundation Center for Continuing Education. This live CME program fully complies with ACCME Standards for Commercial Support, and is developed independently and without influence by any commercial interests.
